

## **Arts and Crafts**

### **Who, What, Where, When, and Why?**

**Who:** Our members are your friends and neighbors. The club is open to all residents that enjoy arts and crafts. Crafts include but are not limited to quilting, knitting, crocheting, needlepoint, painting, and paper crafts.

**What:** Arts and Crafts is a club formed to provide residents with a common interest in arts and crafts a meeting time and place to create, share information, make new friends and enjoy refreshments and good fellowship.

**Where:** Village of Lake Tarpon Clubhouse

**When:** Our meetings are held every Thursday at 1pm. Members usually arrive a little earlier to chat and talk about crafts they have completed since our last meeting. We are always looking for new ideas and welcome new members.

**Why:** We meet to exchange ideas, have fun, laugh, and create new crafts. We also contribute to Village betterment projects and organize social events for all residents to enjoy.

Officers:
