The Lake Tarpon Village Boat Club meets the first Friday of every month during November thru March @ 10:00 a.m. in the Club House; however donuts and coffee are served prior to the meeting beginning @ 9:30 a.m. It is open to everyone and "you do NOT need to own a boat to be a member." It is the largest club in the village and has several activities throughout the season beginning with the "Welcome Back Party" which kicks off our Lake Tarpon Village season of activities. We host 2 dances, the "Change of Watch Dance" in January and the "Bon Voyage Dance" the end of March. Every other season we do a "Scavenger Hunt" alternating the next year with a "Madre Gras." We also have the "Lighting of the Boats" in December and have Fishing Contest, Moonlight Cruises, and several other fun boating and village participation events. A new 2014-2015 schedule of events will be following soon. --
